

Children Love to Learn

Moozie Rhymes

Kind words make us feel good;

Moozie says *please* and *thanks*, so we should.

There's lots of kind words that we can say;

You're special, terrific and have a great day.

Moozie® says:

Learning to listen is fun to do;

When I'm listening, I cannot talk to you.

I sit in my chair and I am quiet, too;

Listening teaches me things, so I know what to do.

Like Moozie, kindness we can show

Even to children we do not know.

A card or a hug we can share;

Let someone know we really care!

Moozie likes to teach us

To share and take turns;

To get along with others

It's a lesson we must learn
